### **Proposed Chiles Ranch Residential Subdivision**

**PA # 55-07: Mitigated Negative Declaration #1-08, General Plan Amendment #5-07, Rezone/Preliminary Planned Development #8-07, Tentative Subdivision Map #3-08; Final Planned Development #12-07, Affordable Housing Plan #1-08, Design Review #7-08**

The City of Davis **City Council** will conduct a public hearing on the project application at a meeting beginning at **6:30 p.m. on Tuesday, June 16, 2009** in the Community Chambers, City Offices, 23 Russell Boulevard, Davis, California. Please contact the Community Development Department for the approximate time this item will be heard.

**Project Location:** 2411 E. Eighth Street, and the abutting parcel to the east (located west of Mesquite Drive), and the abutting parcel to the south (located north of E. Eighth Street). Assessor's Parcel Numbers: 71-020-15; 71-401-02, 71-401-03

**Applicant/Owner:** New Urban Development, LLC  
c/o Don Fouts and Steve Sherman  
1930 E. Eighth Street, Suite 100  
Davis, CA 95616

#### **Project Description:**

The applicant proposes to subdivide three vacant parcels totaling 12.1 acres for the creation of a 108 unit residential subdivision. The land use designation on all three parcels is "Residential Low-Density." The applicant proposes a General Plan Amendment from "Residential Low-Density" to "Residential Medium-Density." A rezone of the three parcels from a mix of Agriculture (A) and Residential One and Two Family (R-2) to a residential Planned Development (PD) is also proposed.

The Chiles Ranch Subdivision would include market rate units and for-sale affordable income housing. Dwellings would be a mix of detached, attached and condominium units in one, one-and-a-half, and two stories oriented around a new public street and private drives. Vehicular access to the site would be from two entrances located off E. Eighth Street. The development would include city greenbelt and bicycle paths; and common open space. A minimum of two on-site parking spaces would be provided for each dwelling in one or two-car garage, carport, and/or uncovered parking spaces. The required number of on-site street spaces for residents is 235; a total of 263 would be provided. Seventy on-street parking spaces would be provided on the public street within the development.
